MINI-CAMP for 4-6 year-olds

Kindergarten students are divided into age **groups** and language groups, supervised by **bilingual** staff.

Throughout the day, activities include **games, reading, arts, sports** (motor skills, tennis, etc).

FOOTBALL-CAMP

By Z.E Academy (dates on request)

The Football Camp students benefit from the infrastructures and teaching resources of **IBS of Provence**, but also from the sports expertise of the **ZE Football Academy**. The students have a busy day of language classes and intensive bilingual soccer training led by Ronald Zubar and his staff.

TENNIS CAMP (tournaments option)

By IBS Tennis Academy (dates on request)

The **IBS Tennis Academy by Thomas Enqvist** consists of training the students from the sport-study tennis program during the school year, as well as young professionals. During our Intensive Tennis Courses, the students (from 10 years old), selected according to their ranking, are divided into groups by level. The morning is divided into two parts: 1.5 hours of tennis-specific physical training and 1.5 hours of tennis training, with a maximum of 4 students per class. The afternoon is dedicated to language classes. After the lessons, (for students with the tournaments option) are accompanied to tournaments by our coaches. Those students who don't have matches will play 2 more hours of Tennis (coached matches or specific preparation for competition).

THE IBS of Provence CAMPUS

- 2 recent academic buildings with **AC** classrooms
- A modern 400-seat **amphitheatre**
- A **sports building** with a **yoga** room and indoor **gymnasium**
- A **cafeteria** that serves freshly prepared food
- 4 **tennis courts** (2 synthetic clay and 2 hard courts)
- A 25m **heated swimming pool**
- A **football** field
- A **volleyball** field
- A **multi-sports** field

OUR BOARDING HOUSES

Designed on the concept of a family home, under the watchful eye of **supervisors**, the boarding section is an extension of the day in a friendly atmosphere, alternating between classes, activities, cultural visits of the area, meals and leisure time. Boarding houses accommodate students in rooms of two to five, organised by gender and age.
